

HSE (HIGH SCHOOL EQUIVALENCY)

Many future U.S. jobs will require higher levels of education and/or training. If you're between the ages of 17-25 and live in Jefferson, Clear Creek, or Gilpin County, let The ROAD help you prepare so you are ready to take (and pass) your HSE exam (GED, TASC, or HiSET).

You MUST attend an orientation first!

Call, email, or look at our monthly calendar to find out when the next orientation is.

After you attend an orientation and complete initial testing, you will be able to schedule tutoring sessions. All sessions are Monday-Thursday in the afternoons.

Tutoring is at no cost to you!*

*There will be book rental or purchase fees.

Please call or email Amy
